

Rainsite/Location Change Policy (as of 9/1/2008)

Events to Go should be notified of any potential location change or rainsite plans as soon as they are made, but no less than five business days prior to the event. Last minute changes due to weather may be accommodated, but may result in additional charges. Clients changing location due to weather will need to inform us of their location choice 48 hours prior to the event so that we can ensure that we have proper staffing. If clients do not cancel within 48 hours of the event, they will be charged their normal rate.
