As part of the Ohio State University, we must comply with OSU policy on alcohol service as well as applicable state regulations. Please take a moment to familiarize yourself with *OSU Policy on Alcohol at the following links:

Please be sure to consider as part of your event planning:
- Individuals or organizations sponsoring events where alcoholic beverages are available must provide a safe and secure environment, and follow reasonable risk management procedures. In order to ensure that there is adequate security at the event, the University Police Special Events Coordinator must also be contacted at 688-3211 at least three weeks before the event.
- There should be a primary purpose for a gathering other than the availability of alcohol, and alcohol should not be used as an inducement to participate in a campus event.
- A campus event should not include alcohol if the majority of the participants at the event are students under the legal drinking age in Ohio.
- Soft drinks or other alternative beverages such as punch, fruit drinks, and other non-alcoholic beverages should be available in the same location and be featured as prominently as the alcoholic beverages during the entire time alcoholic beverages are being served. Food and/or snacks should also be prominently displayed and available during the entire event.
- The University does not permit advertising in its public spaces that directly promotes the use of alcohol or tobacco.
- Advertising should focus on the purpose or theme of the event and not on the availability of alcohol in ways that imply drinking is the focus, such as a "beer blast," "forty kegs," or "all the beer you can drink."
- For larger groups, it may take the Ohio Union three (3) or more weeks to procure the alcoholic beverages for your event, so plan early.
