The Ohio Union is LEED® Silver certified by the U.S. Green Building Council and designated as an official GreenSpot by the City of Columbus! To support meetings and events in an environmentally conscious way, the Ohio Union provides:

- Ample bike parking and bus line accessibility to support alternative transportation
- Use of local produce in dining and catering operations
- Pulpers to divert food waste from the landfill to be used as compost
- Convenient all-in-one recycling bins located throughout the building
- Virtual bulletin boards to promote events without paper waste
Let us help you plan your event! Go Bucks!
