#Buckeye Clothes Out

December 1 - 18, 2014

The Office of Student Life at The Ohio State University and Goodwill Columbus are teaming up to clothes out fall semester!

When you donate your stuff to Goodwill Columbus, you help transform the lives of individuals with disabilities and other barriers through pathways of independence and the power to work.

Each year, Goodwill provides nearly 2 million hours of service to more than 3,800 participants with disabilities and other barriers through day habilitation programs, community-based supported living services, employment training and job placement services.

Frequently Asked Questions

**Our donation bins are full, what do we do?**

Goodwill Columbus will come by each Friday to check the bins. If full, the bin will be emptied.

IF bin fills up and is overflowing and CANNOT wait until the following Friday, then please call or text Kat Ellery, Goodwill Columbus Community Outreach Coordinator at (614) 446-0487. Please leave clear message stating that donation bin is overflowing and state the name of the location.

**How does the donor get a receipt for his or her donations?**

If you would like to receive a receipt for your donation, please donate your goods to the nearest Goodwill retail store near campus at 2550 N. High Street Columbus, OH 43202.

**Will Goodwill accept my torn or stained clothing?**

YES! While we are unable to accept wet or soiled clothing (including grease towels or materials containing any type of body fluid), we can accept ripped or stained clothing. We are proud to say we work with vendors who will actually recycle these materials.

**Does Goodwill want my electronics, even if they don't work?**

YES! We have an extensive electronic recycling program for items that don’t work. From computers to alarm clocks, we’ll take nearly anything with a cord (excluding major appliances).

**What do I do if people are rummaging through the bins or taking items?**

Kindly remind them that these items have been donated to Goodwill. Follow the same protocol that you would use if someone was taking or destroying other items at your location.

**Can students roll the bins to where the donations are located, so they can load?**

No. These bins weigh 150 lbs empty. The wheels of the bins will have their brakes on to keep them in place. It would be a safety hazard to move them without proper training.

**Can students climb inside of the bins?**

No, this would be extremely dangerous behavior.

**Where do these donations go when they leave here?**

These donations are going to Goodwill Columbus and will be sold right here in Central Ohio. The money earned from these items goes to support our Workforce Development programs that train individuals to enter or re-enter the workforce.

**What if I want to volunteer with Goodwill Columbus?**

Check us out on our website at www.goodwillcolumbus.org for more information.
