Catering Information and Menus for events at the Ohio Union

Our Venues – We are the exclusive caterer at the Ohio Union and Rec Sports Physical Activities Center and the preferred caterer at the Billy Ireland Library and Sullivant Hall, Curl Hall, Drake Performance and Event Center, Longaberger Alumni House, Mershon Auditorium and the Wexner Center for the Arts, Ohio State Wexner Medical Center, Nationwide & Ohio Farm Bureau 4-H Center, Pomerene Hall, Thompson Library, Veterinary Hospital, Veterinary Medicine Academic Building, Spectrum of Care Veterinary Medical Center, and Women’s Field House. For additional venue options or menu assistance for events taking place outside the Ohio Union, please contact us at catering@osu.edu or visit us online at universitycatering.osu.edu.

COVID – 19 Information and Service Options - The health and safety of our community, our staff, and guests is our priority. We provide ServSafe® and COVID-19 procedures training for all team members and adhere to all requirements and best practices outlined by state and local health officials to include but not limited to wearing facial coverings and PPE, practicing and requiring physical distancing, and frequent cleaning and sanitization of equipment and contact surfaces.

Our menus and services have been updated to reflect best practices and requirements to ensure a safe and healthy experience for our guests. Your Event Coordinator or Sales Manager will be happy to discuss service options with you.

Ordering and Guarantees – Plan to meet with your Event Coordinator or Sales Manager to discuss menus (6-8) weeks in advance. Menus for most events must be finalized with University Catering no later than four (4) weeks prior to the scheduled event. For groups of 150 or more guests, the planned menu(s) based on the expected guest count will represent the client’s minimum commitment for billing and cannot be reduced further. For groups less than 150 guests, no less than 10% attrition can be given at with the final guarantee.

The final guarantee is due twenty-one (21) calendar days prior to the scheduled event. University Catering cannot be responsible for service to more than 5% over the guaranteed number of attendees and menu items for overage may not match the planned menu. Your guarantee is not subject to reduction. If no guarantee is received, University Catering will consider the expected number of guests on the client confirmation to be the correct guarantee number. All charges will be based on the guarantee or upon the actual number of persons served, whichever is greater. All food and beverage items must be purchased through University Catering to comply with state and local regulations.

Late Requests and Changes – Ideally, catering details should be confirmed on the timeline provided above to ensure quality food and service preparations and availability. We understand however this will not always be possible and while every effort will be made to accommodate short notice requests and changes, we may need to assess administrative fees for changes made within (7) seven business days of an event.

Menu Pricing – All prices are subject to change and substitutions may be necessary based on uncertain market circumstances. University Catering will provide the client with advanced notice of an increase and the right to decide between the price and reasonable substitutions. Food and beverage pricing can be confirmed a maximum of two months in advance with menu selection; this is due to current fluctuations in costs from our suppliers caused by the pandemic and is expected to improve over time.

Service Times – Buffet and food station menu quantities and perishable items are limited to a two-hour service period unless noted otherwise; food items will be removed at the end of the contracted service period to ensure food quality. Event services greater than 2 hours may incur additional staffing fees which will be reflected on the clients Confirmation and final billing.

Buffet Food Quantities – Adequate menu items will be provided for all guests to pass through the buffet or food station one time. If multiple proteins, sides, or desserts are offered and one selection runs out, but the other selection(s) are available, we are not obligated to make more of the missing item. Example: There is cherry pie and apple pie offered on a buffet and the majority of the first guests through the line all took apple pie, but there is still plenty of cherry pie for the remaining guests, additional apple pie may not be provided.

Leftover Food – Due to health department regulations, leftover perishable foods may not be removed from any event by anyone except food service staff. This policy addresses public safety concerns and is non-negotiable. However, non-perishable items such as whole fruit, baked goods, and canned sodas may be taken from events. University Catering works closely with the Food Recovery Network at Ohio State, Mid-Ohio Food Bank to donate unused food items.

Bar Service - University Catering can provide Cash Bar and Hosted Bar service at the following licensed venues: The Ohio Union and Potter Plaza, Curl Hall and Patio, McCorkle Lobby, Pomerene Hall and three (3) Patios, Rec Sports Physical Activities Center, Billy Ireland Library and Sullivant Hall, Thompson Library, Veterinary Medicine Academic Building, Veterinary Hospital, The Frank Stanton Veterinary Spectrum of Care Clinic and the Women’s Field House.
