We provide ServSafe® and COVID-19 procedures training for all team members and adhere to all requirements and best practices outlined by state and local health officials to include but not limited to wearing face masks, practicing and requiring physical distancing, and frequent cleaning and sanitization of equipment and contact surfaces.

Our menus have been updated to reflect best practices and requirements to ensure a safe and healthy experience for our guests. Changes to services are denoted in each menu section. Items are available for in-house, on campus, or off premise catered events. Your event coordinator or sales manager will be happy to discuss these options with you. Additional information can be found online at Safe and Healthy Buckeyes.

Ordering, Menus and Guarantees - We have a $100 food minimum for off-premise or on-campus delivery Monday through Friday; $250 for Saturday and Sunday. Menus for most events must be finalized with University Catering no later than three (3) weeks prior to the scheduled event. All food and beverage items must be purchased through University Catering in order to comply with state and local regulations. For groups of 300+ the planned menu(s) based on the expected guest count will represent the client’s minimum commitment for billing and cannot be reduced further, less no greater than 10% attrition. The final guarantee is due five (5) business days prior to the scheduled event. University Catering cannot be responsible for service to more than 5% over the guaranteed number of attendees. Your guarantee is not subject to reduction. If no guarantee is received, University Catering will consider the expected number of guests on the client confirmation to be the correct guarantee number. All charges will be based on the guarantee or upon the actual number of persons served, whichever is greater. Below is our guarantee due date schedule for your convenience.
